

## Where Fresh Air Brings Fresh Ideas

Set in 25 hectares of gently sloping rural landscape flanked by coniferous woodland and the Bridgewater Canal, the Daresbury Science & Innovation Campus provides a spacious and attractive location to stage that important business meeting or conference.

Situated between Manchester and Liverpool, and no more than half an hour's drive from either airport (between them serving over 250 destinations worldwide) Daresbury Science & Innovation Campus provides easy access for delegates from the region, the UK and beyond.

## Putting Together the Perfect Event

The Campus' conference facilities are located in three adjacent buildings at the centre of the Campus. Each building offers a comprehensive range of facilities and is easily accessible from each of the other venues. There is ample car parking.

Facilities range from smaller, fully equipped, modern meeting rooms, through to a lecture theatre with seating for 160. The Campus also offers the flexibility to adapt many of its public areas to meet your specific requirements.

## Your Comfort is Our Commitment

Campus-based catering and technical services will ensure the smooth running and comfort of your event. The following are available on request:

### Catering

- On-hand meeting room refreshments (tea, coffee, mineral water, fruit juice)
- Resident catering services providing everything from working lunches to gala dinners
- Restaurant, deli-bar and coffee shop, all with access to attractive canal-side outdoor seating area
- Waterside café scheduled to open July 2008.

### Technical and administrative services

- Free wireless internet in key venues
- Full audio visual facilities and on-hand support including data projectors, DVD players, large screen LCD projectors, video- and tele-conferencing
- Flip charts, pens, pencils, pads.

### Accessibility and parking

- There is ample parking on Campus adjacent to the key meeting and conference facilities
- The Campus makes its best effort to offer facilities for the disabled. Please check before booking.

## Choice, Quality and Convenience

There are over 30 rooms available on Campus, a key selection of which is shown here. For the full list of additional meeting rooms, floor plans, dimensions and indicative prices, please contact us and we will be glad to arrange a package that perfectly matches your needs.

## Inspired Thinking

For a briefing, presentation or launch event with a difference, you may wish to consider the Tower Observation Gallery. This unique facility has a viewing platform 70 metres above the Campus, offering breathtaking views across the Cheshire countryside and the River Mersey towards Liverpool.

## An Ideal Venue within Everyone's Reach

Travelling to Daresbury Science & Innovation Campus:

### By Road

The Campus is just 5km from Junction 11 of the M56 motorway and 11km from Junction 20 of the M6. It is 40km from Manchester and 30km from Liverpool.

### By Rail

8km from Warrington Bank Quay railway station on the West Coast Main Line.

### By Air

Ideally located between Manchester and Liverpool Airports, 25km and 20km away respectively.

### Parking

There is ample visitor parking immediately adjacent to all of the main venues on Campus.
